COUNTRY BARN*

This shed is 10' high at peak. Plenty of space for most outdoor equipment plus optional lofts for overhead storage, this is one of our best sellers.

QUAKER*

This is one of our most popular models is 9' high at peak adds beauty to any landscape at the same time having plenty of space for storing most garden and lawn equipment.

"A" FRAME*

This model is a great potting shed with optional work bench and great for storing outside furniture.

HIGH BARN*

Authentic country barn is 10' high with door on the side. It's perfect for storing ride-on mower and much more.

4' SIDE MINI BARN

This shed is 8' high and is great for lawn equipment and garden tractors.

5' SIDE MINI BARN

Like the 4' Mini Barn - yet a foot higher and perfect for storing ATVs, motorcycles and lawn furniture.

* Photo featured with optional ramp.
